

**F 2021**  
**TU/TH 3:30-4:50P**  
**LOCATION: SE101**  
**UPPP 100: GLOBAL METROPOLIS**

This course explores the challenges of 21st century global metropolis with an emphasis on global South cities. Students learn about how urban inequality is produced and maintained in cities, the detrimental legacies of colonialism, racism, and gendered orders of development, and the innovative ways that planners and urbanists are trying to address them.
